Special Education

Dedication

Mr. L.D. Knight

Four years ago, the Class of 1973 entered the halls of H.H.S. with the fear of what high school would be like. At the same time, another person entered H.H.S., but with a completely different outlook. This man was optimistic for the future. He provided leadership and understanding to those who sought it. Over these four years, Mr. Knight has become a man that we can talk to as "one of the crowd" but yet respect and obey. These four years hold the memories that so many of us will cherish through the years. We, the Class of '73, are the first H.H.S. Class to have been under this mans' leadership all through High School.

Mr. Knight, the dedication of this annual is only a small "Thank You"--not only for being what you are, but for being it so well.

This year, Harrodsburg High School was lucky enough to have its first exchange student in its history. The student was Georgina Garcia from Mexico City, Mexico. Georgina was with us only the first three months of school, but, in this short time, she made many new friends and acquaintances. This was Georgina's first trip to America, and she also visited New York and Texas. A Harrodsburg Football game was the first one she had ever seen. We are glad to have had the opportunity to meet and talk with Georgina, and we hope all future exchange students will be as light-hearted and pleasant as she.
