

Commonwealth of Kentucky

County of Mercer

Notice

To George Moore

You are notified to quit trespassing on the Clara Tayler land on the Perryville Turnpike in Mercer County, Kentucky, which you recently purchased from Elijah Sims. As you know I have the land rented until the first day of January 1945,: You are further notified to replace the fence which you tore out, so that my stock will not get out.

If you continue to trespass and hinder the enjoyment of these lands by me, I will be forced to file suit to protect my rights.

This October 30, 1944.
