Charley Sutherland,

Plff.

Vs.

Petition.

Charley Leonard,

Dft.

The plaintiff, Charley Sutherland, states that some time early in this year he purchased from the defendant, Charley Leonard, a milch cow for which he agreed and promised to pay and did pay therefor the sum of \$95.00. He says that at the time of the purchase aforesaid the defendant stated and represented to him that the said cow was sound and all right and without a blemish and he says that he believed said statement and representation to be true and that he relied up on said statement in making said purchase and that he would not have made it except for said statement and representation

He says that said cow is not sound and all right and without blemish and was not so at the time of the purchase aforesaid. He says that said statement and representation was made for the purpose of deceiving this plaintiff and that he was deceived thereby and that by reason thereof he has been and is damaged in the sum of \$30.00.

Wherefore plaintiff prays for a judgment against the defendant in the sum of \$30.00 and for all costs expended in this action. He prays for all relief to which he is or may appear to be entitled -- special, general and proper.
