

The Harrodian

Published By
The Senior Class of 1963
Harrodsburg High School

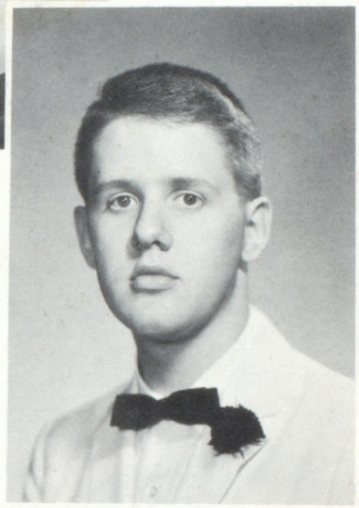

Dedication

We, the class of 1963, wish to dedicate this Harrodian to Mrs. Robert Helton, our class sponsor who has lasted with us through thick and thin for three years. Without her competent aid and advice, few of our class activities would have been possible. As a small token of our appreciation, we respectfully dedicate this, our annual, to her.

Dixie –
So next year you'll be a Senior –
so what? Here's to people who
treat things lightly – they don't
get hurt. It's been an experience
knowing you (what kind?). It's
really great, sometimes, knowing
a real intellect – wish me luck
with saints,
dairy farms, etc. Best of luck
at Wellesley – you'll need it???
The whole thing is trite!
So, – I'm basically a trite
person – Kelly
P.S. – Just keep cutting.

We of the Harrodian Staff who are about to depart as graduates of 1963 sincerely hope that in future years this issue of "The Harrodian" will be a cherished momento of happy years at Harrodsburg High--a reminder of classmates and of the wonderful hours outside the classroom.

For most of us, we have been here for our four years of high school. Now we must leave and step out to face a future that is very uncertain. In whatever degree of success or failure we may find ourselves in years to come, if a glance at these pages will lighten our labors--if only for a single moment--we deem our yearbook worth while.

Each of the students here at H. H. S. had a part in making this school year one to be remembered. Each event will be remembered; some were happy occasions, and others sad, but they are made a part of our school career--a time never to be forgotten.

In closing we would like to express our appreciation and give recognition, to the members of the class of 1963 who have given their time to produce this yearbook.

We hope you enjoy "The Harrodian." It was ours for almost a year. Now it belongs to you.

Mary Burton, Dr. James Keightley, Glover McGinnis, Gene Royalty, John H. James.
