DEDICATION

We the Senior Class of 1949 dedicate this, our Year Book, to our parents, the Faculty, the Superintendent, and the Mercer County Board of Education.

Our first thoughts go to our parents, who have sacrificed so much for us. You shaped our lives for us when we were small. You have instilled in our minds the higher ideals of life. You now encourage us to not let this be the end, but only the beginning of our education. To you we shall ever be grateful.

A great amount of our success goes to the faculty, They have encouraged us to study and get the most out of our school days. They have taught us that it pays to be truthful, honest and upright in all things. They have tried to teach us to set our goal high and then strive to reach it. We trust that in the future the Faculty may be able to say, "Well Done" Class of 1949.

To the County Superintendent and the Mercer County Board of Education we would like to say we appreciate all you have done for us. Because of the opportunities you have given us, we feel that we will be better able to take our place in an unsettled world.

Indeed, when we stop and count the opportunities that lie before us and then think of all those who have helped us, we feel that the least we can do is to make the most of every opportunity. Our gratitude to each of you can never be told, but to you who have meant so much to us we say, "Thank You For Everything".

CLASS HISTORY

September 1945 we, who were twenty-one in number enrolled at McAfee, as "Green Freshmen." We had all dreamed of the day when we would enter High School. We thought we were grown but not for long. We soon found we had many things to learn.

After many hardships we stumbled through the year. We lost Betty Burton, Dixie Fallis, Ann Mason, Charles Kurtz, Virginia Richmond, Vincent Sheperson and Gloretta Davis during the year.

In September 1945 fourteen "Green Freshmen" enrolled at Fairview to begin their high school education. We certainly did receive an education. Besides being called "green" we were required to have our lessons on time, to conquer those monstrous equations in Algebra, to quote "Shakespeare" and to conjugate verbs backwards and forwards.

Mr. Lucien Downey, our sponsor, always took up for his "kids"; and the rumor is that several Freshmen ate his candy and apples.

During the year Bobby Pfoff and Carolyn Carey left to go elsewhere. Virginia Richmond came to us from McAfee.

We entered Cornishville High School in 1945 with high hopes, but they soon dwindled away when we were tagged "Green Freshmen." There were many activities in which to engage our unboundless energy. There were twelve of us at the beginning of the year. We lost two and gained two during the year. So we closed the year with twelve in the class.

We, the McAfee sophomores reentered school in September 1946. There were only fourteen of us. The year was a very pleasant one. We were sorry to loose Violet Keller, Betty Carey, Doris Marksbury and Herbert Hollingsworth. Virginia Richmond entered our class.

In September 1946, fifteen Fairview Sophomores entered school. Mary Lou Shirley and Marie Releford came at the end of the first semester. Virginia Richmond entered McAfee.

Since we had only a two year High School, we were the oldest class in school, and were constantly reminded that we should set good examples for those in the freshman class.

CLASS HISTORY -Continued-

After what seemed to be a brief vacation the Cornishville Sophomores entered school in September 1946. During the year we lost five members leaving only eight at the end of the year. Mr. Carter our sponsor became ill and had to give up teaching.

Our Junior year at McAfee was very eventful. There were ten from McAfee and ten from Fairview.

Our home room teacher, Miss Woods, expounded the theories of Geometry.

Our Principal, Miss Mellie Matherly, taught American History and English.

Mr. Bruce Champion and Mr. Stewart Gaunce taught mathmatics and Agriculture.

During the year Frances Satterly and Marie Releford withdrew and Harley Moore entered school at Pine Knot.

Mac Cecil from Midway enrolled the second semester. We were very glad to get "Mac".

Several Juniors received much deserved and long treasured awards - C's- in conduct for throwing shoes in the class room.

Our Junior year ended with the juniors entertaining the Seniors at Fountain Ferry in Louisville.

Seven boys and girls entered the junior class in the Cornishville High School. We were Juniors now, so we expected more privileges whether we rceived them or not. There was Geometry to get around. (Around in circles, that is). Two of our girls had been cheerleaders during their three years in High School. Our boys had been able to make either the first or second team in basketball. We lost two girls before the year was over. This left us five.

We were a sad group. We had heard that we wouldn't be able to graduate from Cornishville the following year. This was the year we had been anticipating for so long. We were to be scattered here and there, breaking up the beautiful friendship we had had together.

Our Senior year was by far the best and most promising of our high school. George Bishop and Kenneth Young entered our class room from Cornishville. We were very glad to have them. They have added much to the fun we have had during the year.

Our Senior year was all that we could expect. There was the need to study in order that we might win the long worked for award - the Diploma.

There was also a brighter side. Planning the Annual, getting ready for the class play, Class Night and for Commencement. These things and many other activities of the year made us feel that we wrre stt apart and honored by the name we bore -- "Seniors of 49".

CLASS WILL

We, the Graduating Class of 1949, being of sound mind, and having a wonderful memory, publish and declare this our last will and testament, in manner and form as follows:

We will and bequeath to the Junior Class, our successors, the challenge to be as nearly perfect in every respect as we, the Class of '49 have been.

We do will and bequeath to the faculty our appreciation for their sympathetic understanding of our many problems.

We leave to our janitor all the old newspapers, broken down chairs and tennis shoes found on the floor of the Senior room.

To Mary Catherine Taylor, Margaret Ann Sanders leaves her ability to get in trouble with the faculty.

Truman Courtsinger leaves his ability to fix Gym fires during Government class to Joe Keller.

To Jean Sanders, Betty Shackleford leaves her quietness and Cafeteria manners.

Roger Drury leaves his ability to be high point man and his friendship with the Junior girls to Earl Ransdell. "Carry on Earl."

Joyce Grayham leaves her ability to keep a girlish figure to Helen Price.

George Bishop leaves his expert basket ball handling to Billy Lee Crabtree.

To Nancy Davenport, Banche Rose McCoun leaves her ability to be late for classes and also her ability to get out of trouble.

Mac Cecil leaves his skill for being a "ten o'clock" scholar to Lafon Wheeler.

CLASS WILL—Continued

To Loraine Hendren, Midred Terhune leaves her ability to court during the school day.

To Mary Margaret Terhune, Mary Lou Shirley leaves her mastermindedness and her music talents.

Billy Dean wills to J. W. Mattingly his flat tires and also to be at school at 8 o'clock once a month.

Herbert McCoun leaves his ability to tease the class and also his sweater to Bonnie Anderson.

To Kathleen Springate, Vena Sheperson leaves her ability to talk on any subject and her laughing ways.

"Churn" Young leaves his ability to take girls to ball games and to be caught "speeding.

To Lizzie May Inman, Virginia Richmond leaves the territory down about "Wards" and her pleasing disposition.

Kenneth Preston leaves his expert paper wad shooting to Cleo Yates

Jane Watson leaves her artistic ability and knowledge to Evelyn Sexton.

"Polie" Stratton wills his ability to copy Arithmetic and that big gift of "Gab" to Burney McCoun.

Edith Jenkins wills all her boy friends and her ability to tell jokes to Anna Lee McRay.

Edward Lee Conder leaves his shyness and ability to see the girls home from parties to Walter Watson. Good luck Walter!

We do sign our name on this the thirty-first day of May, 1949.

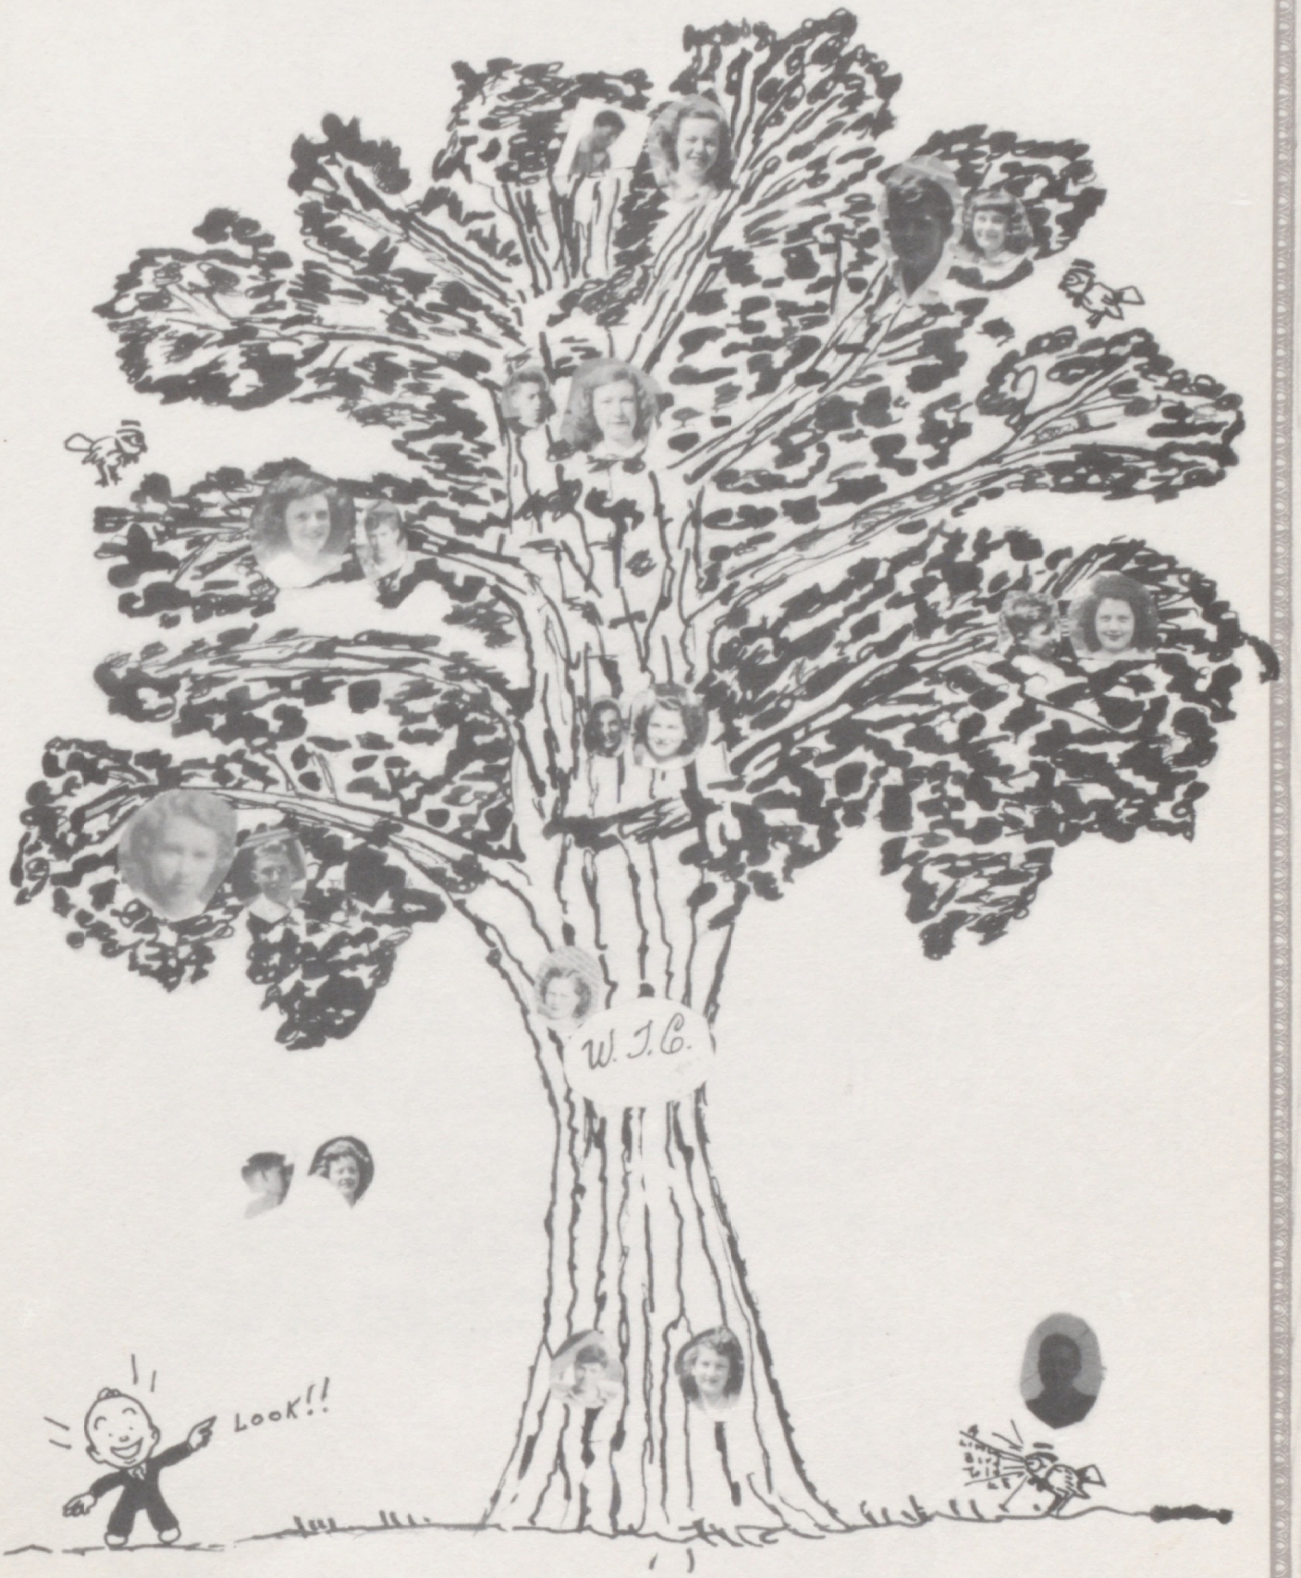
PAIR TREE



CLASS POEM

We the Class of Forty Nine now set forth these lines in rhyme to tell you something of each one. Really folks, its all in fun.

Now there was Vena May who was some kid,
As for having fun, that was what she did.

Blanche was full of vigor and vim, and when
it came to boys she was right in the swim.

Mildred was exceedingly small,
Who knows, maybe that was what made Billy fall.

Mac with the towering height made the girls swoon,
when he came in sight.

Virginia, now thats quite a name,
As for her she's always the same.

Truman quite popular with the girls,
Who always adored his beautiful curls.

Since "Polie" is noted for his wit,
The girls always beg him to sit.

Mary Lou was a musician, we all know.
When it came to lessons she was far from slow.

Edith always made a hit with the boys,
Also the teachers with all of her noise.

Roger was a boy who played basketball well,
Our opinion of him, We think he is swell.

Kenneth (Churn) would say when things went wrong,
"Pay no 'tention' just drive right on".

Herbert, who never was quite bold,
Yet with his manners, he, Bonnie's heart stole.

CLASS POEM -Continued-

Billy with his hideous laugh,
Drove the teachers near to wrath.

Joyce was as smart as a tack,
She didn't have her brains tied up in a sack.

Edward Lee was a timid soul,
But when he set his head he always reached his goal.

Margaret Ann wanted to do what she ought,
Cause when she did the other things she always got caught.

Betty Jane was as kind as could be,
A real friend, now take it from me.

Kenneth a nicer boy you could not find,
He was happy and laughing all the time.

George was tall, six feet two,
Happy go lucky and never blue.

Jane was quite a poet,
By reading this you'll say "Who'd know it".
