-v- Petition

Will Watts

Defendant

Plaintiff says the defendant is indebted to him in the sum of \$55.86 for goods and merchandise according to the itemized account filed herewith which amount he has promised to pay plaintiff but has never done so; that same is long past due; that said sum is just; that he believe he should have and recover of the defendant said sum of \$55.86 with interest from Jany 1, 1917, and costs of this action; that the defendant has no property in this state subject to execution ~~or~~ and not sufficient there-of to satisfy this claim, interest and costs, and the collection thereof will be endangered by delay in obtaining judgment and return of no property found.

Wherefore he prays judgment for \$55.86 with interest from Jan 1 1917 and costs and an order of attachment against the property of the defendant and generally for all proper relief.

The affiant H. C. Terhune says the statements of the foregoing petition are true.
