

To Lotta S. Renfro:-

You are hereby notified to appear before the undersigned as Judge of the Mercer County Court, at the Court day House in Harrodsburg, Ky. on Wednes , July 5th 1922, to show cause if any you can, why you should not be removed from the office of Oil Inspector of Mercer County, Ky.,, because of misconduct, negligence and incompetency in office, in that you have permitted and are permitting the inspection of oil and gasoline in Mercer County at various stations therein, by having samples for inspection to be taken from tanks, casks or barrels out of your presence or the presence of legally authorized deputies and without personal knowledge and receiving samples for inspection as if they had been taken in person, and that you continually accept samples of oil and gasoline furnished by the owners of gasoline stations and their employees without making any tests at the time they were furnished or accepted and have continuously failed to furnish the owners of such oils or gasoline any report as to the test and have not branded the barrels or the receptacles, with a brand containing the words "Approved Test",, but permitted the owners of the oil and their employees to use a brand approving the oil or gasoline and to affix the same to barrels and other receptacles as such owners or their employees may desire.

This June 24 1922. Geo C. Allin, J. M. C.
