The above statements are true to the best of my knowledge and belief.

Affiant Louis Friedman says that the defendant, J.L. Shepherdson, is indebted to him in the sum of \$20.01.; that the the debt is just , due and unpaid; that defendant has not enough property in this State subject to execution to satisfy plaintiff debt and the debts of defendant's other creditors; that his claim will be endangered in delay in obtaining judgement or return of no property found; that the ammount due is the balance due on a check upon which the defendant agreed to pay plaintiff the sum of \$36.96; that defendant paid thereon \$16.95, leaving a balance of \$20.01; that as affiant verily beleives he should recover thereon the sum of \$20.01, with interest thereon from Dec. 1, 1926, for his costs.
