NEW YORK . . . A nervous Greta Garbo submitted to her first newspaper interview upon her arrival here from Sweden after a year's absence. She stated that she had been ill, felt better now; that she was going back to work in Hollywood, and, has no intention of doing stage work.

Iron Causes of Rosy Cheeks

Rosy cheeks are due to iron with a trace of manganese and copper, and when the iron fades, rosy cheeks fade, according to Sir Frederick Keeble, a London scientist.

Iron Will Burn

Iron will burn, but at a very high temperature. It burns freely in pure oxygen, but oxidizes very slowly in air and produces a very small amount of heat.

Hackney Coaches in London

In 1825, London boasted 20 "hackney coaches" which were kept at inns for hire.

Worshipped the Bear

The Glyk people of Sakhalin formerly worshipped the bear.
