

Mr. Plue wears a brown coat & hat
bobbed hair, dark brown quite gray
parted on side with distinct indian
features. weight around 160 or 175-lbs

These people owe me \$24.00
for board and I believe they are slipping
away from me in order to beat their
bill as they left my house in Aslan
County to where I helped defray their
traveling expenses to let them work out this
bill.

Please notify me on first sight
of them. I will come by motor
and see if I can attach their
truck in that County.

Will repay you for your trouble
and please I will pay for the
message by western union please
to my address.
