Mercer Garage & Welding Co.,

Plaintiff

VS----- Petition

S. Terrell

Defendant

The Plaintiff, Mercer Garage & Welding, a partnership, composed of Currey Marksbury, W.T. Durr and Mrs. Andrew Comingo, states that the defendant is indebted to them in the sum of \$41.29 on account; that said account is filed herewith as part hereof; that same is past due and unpaid and there are no offsets or discounts against the same.

Plaintiff states that this is an action upon a contract being a contract to pay money for services rendered; that said account is just; that they believe they should recover the full amount of the account, to wit, \$41.29; that defendant has no property in this state subject to execution or not enough thereof to satisfy and pay said indebtedness and the collection of the demand will be endangered by delay in obtaining judgment and return of no property found.

Wherefore plaintiff prays for judgment agsint defendant in the sum of \$41.29 ; for costs of this action and for a general order of attachment of defendant's property; and for all other relief to which they may appear to be entitled.
