Dear Gubb - I am enclosing a/c of
Higginbotham, who lives in the old
Vivian place - last Sept I sold him 25
lbs of Anti House-burn Compound for
\$25.00 & he offered to pay me in advance
for it. But I said I will mail it over to you
you send check - (my mistake) - I have
written him several letters. No reply. I have
drafted him through Burgin Bank - & there
was written on the draft returned "goods
not as represented will write" nothing
from him since warrant him on this
a/c & when trial day comes I will come over
and meet the gentleman at the Bar of Justice
