

Mrs May Lou Sanders:

This is notice that the smoke and ~~untenable~~ cinders from your kitchen flue are so injuring my property as to make it ~~practically untenable~~ and is soiling and discoloring my walls, both inside and outside of my building, and that unless this nuisance is abated, I shall be compelled to proceed against you for damages.

This June 20th 1932.

Sarah E Morgan,

by

*H. G. Gacke*  
Attorney
