On account of dry warm weather we are confronted with a shortage of many Fruits and Vegetables in this section. We have tried our hardest to get what you require at this time of year. Canned goods are eventually going higher, so why not buy now before prices go sky high. Potatoes have advanced beyond the poor man's pocket book. We suggest macaroni and noodles. Our canned vegetables and fruits have not advanced as yet, but will in a short time, so buy NOW.

We carry a good line of cold meats as well as fresh and our prices are low, quality considered. You can depend on us for Quality and Service.
