Dft-

The plaintiff says that the property claimed by him in this action is a hound, blue speckle, coon breed, about 1 1/2 years old and named Joe. He says that the defendant is in possession of said dog wrongfully and illegally and is detain- ing him from the plaintiff who is the owner thereof and enti- tled to the immediate possession of said dog and has demanded possession of said dog from the defendant, but same has been re- fused him. He says that said dog was not taken under an order of judgment of a court against him nor seized under an attachment, distress, execution or fee bill. He says that said dog is \$15.00.

Wherefore he prays for an order of delivery for said dog and if said dog cannot be delivered to him then he asks for a judgment for \$15.00 and all the costs of this action and for all relief- *W. R. & Blay* *Chas. Divine*
