VS- Petition

Andy Horn,
Defendant

Plaintiff, Mercer Garage & Welding Company,
a partnership composed of W.T. Durr, Ethel Comingo and
Currey Marksbury, state that the defendant, Andy Horn is
indebted to them in the sum of \$26.80 on account; that
said account is past due and unpaid; that said account
is just; that they believe they ought to recover the full
amount of the account, to wit, \$26.80; that this is an
action upon a contract being a contract to pay for the
services rendered to this defendant; that defendant has
no property in this state subject to execution or not
enough thereof to satisfy and pay said indebtedness and
the collection of the demand will be endangered by delay
in obtaining judgment and return of no property found.

Wherefore plaintiffs pray for judgment against

defendant in the sum of \$26.80; for costs of this action

and for a general order of attachment of defendant's property

including a summons against the garnishee, Kentucky Utilities

Company, and for all other relief to which they may appear

to be entitled.
