Dear Sivaram,

Believe me, the pictures you have sent me are the first pictures ever taken of me sitting behind a desk. This photograph shall be evidence to posterity that Adriaan Dirkzwager has contributed to the well being of mankind.

It has been a great time that week in London. I thoroughly enjoyed meeting colleagues from different parts in the world. My suggestion is to convene once a year. Next time we will all come to Singapore.

If I can help you at this end, let me know.

Best personal regards and once again thank you for the photographs.

A.D. Dirkzwager
