Dear Andrew,

We hope that you receive this Xmas with in a good health. We are thus so far free from infections. However we are experiencing a number of restrictions imposed by the government.

Vera's situation is stable. She enjoys the moment! However she cannot

remember the recent past. It is remarkable that it doesn't worry her.

She has also lost her sense of time.

Yet she says there is nothing wrong with her. Her long memory is still intact.

Andrew, you are stored in her long memory. Please pass our respects to your Mother.

Christmas Cards are therefore so precious in that they reflect the spur of the moment in life."

Vera & Adrian wish you a Merry Christmas and a 365 sunrises in good health in the New Year 2022.

Reimotif for 2022

"The Lord gave us two ends - one to sit on and the other to think with.

Success depends on which one we use the most." Ann Landers

Hopefully we'll meet each other in 2022
