Dear Mr. Wilkins.

I got the Ford catalog that I had mentioned. It is a 1906 Full Line cat. 44 p. Features Models K, N + F. also shows 1st Ford 1892 and 2 Ford race cars including 1902 "999" condition - excellent. Pictures of the Model K is embossed on cover. Price \$200.⁰⁰ Might seem high but I had to pay a lot and in some I have customers for it. If interested, let me know within a week. Will hold it till then.
