

Hi Fred,

Finally got around to
typing the Bills of Exchange
If they look OK to you, keep
the one I signed for the 375 MM
of sign and return the other 4.

I also dated the original 3
contracts and included copies
of these which you can keep.

I also have the title for the
375 MM which maybe I should
send by registered mail some time.

Should have some bills for the
225 before too much longer.

Jeff
