

CUFFS 20 \$315

Incredibly rare in any condition, these c1890 marked W. MUSGRAVE, Montrose, CO cowboy cuffs are in outstanding condition for their age. With a very deep chocolate colored patina and faint stamping surrounding the tops and bottoms, each cuff bears the Musgrave maker mark. The straps are fully intact on each cuff, and they appear to be original. These are likely the oldest cowboy cuffs you will ever own. Measure 6 5/8" long.
