

BOOTS 12 \$275

These vintage STEWART stovepipe cowboy boots are in very nice condition and a rich caramel color. Minor character wear for their age but the leather is in superb condition and there is nice stitching on the toes and collars. The boots are marked Stewart Fine Hand Made Boots Tucson, Arizona and 950098 and we believe they are size 9 1/2D but we do not guarantee fit. They measure 11 1/2" long, 15 1/2" tall and 4" across the soles and have leather pulls. Great pair for any collection.
