

CHAPS 78 \$975

Very large and impressive dark chocolate color batwing chaps in fine condition. With a finely stamped belt, there is no maker mark, which is amazing due to the quality of craftsmanship. There are four original conchos per leg and pockets, and all eight snaps on the back of the legs are intact. They measure 37" long from the top of the billet and 42 1/2" wide as shown. This is a fantastic pair that we purchased in Cody, Wyoming in 2007.
