

CUFFS 22 \$425

Early cowboy cuffs with a deep chocolate aged patina and more spots than a giraffe. The spots come in five sizes and surround the tops, bottoms and also adorn the centers with incredible star shapes. The two missing snap spots on the back side of one cuff does not detract from the showy presence of these superb cuffs. Hard to find a more impressive pair of genuine vintage cowboy cuffs. Measure 6 5/8" long. The stories they could tell!
