

QUIMPER 52 \$145

Perfect pair of HB Quimper handled bowls, each with floral designs, one with a Britton man and one with a Britton woman hand painted in the bowl. The actual color is a bright yellow, unlike the pale shade in the photos due to lighting. Both are marked HB Quimper France and date from 1930. They measure 8 ½" across at the handles, 5 ½" across the bowl and are 3 ¼" deep.
