

CHAPS 53 \$1,150

These very large and impressive HH HEISER crème colored batwing chaps are outstanding. With four brass star conchos on each leg, they are marked H.H. HEISER MAKER DENVER, COLO. They are in fine condition with front pockets and measure 40" long from the top of the billet, and each leg measures 20" across. The original 8 snaps are on the back of the legs with rivets with the HEISER mark. We have owned these amazing chaps for over 25 years.
