

SPURS 107 LARGE LEAF PATTERN #341 CROCKETT SPURS \$725

All original #341 CROCKETT spurs with leaf pattern and in great condition. Marked on the bands under the strap hangers. They measure 6 ¼" long, 3" wide inside the heel bands, 7/8" heel bands and the 12 point rowels measure 2" across. These were donated to a local thrift store in south Florida where we found them. They had been dropped off not 30 minutes before we walked in with a clothing donation. The hunt is the fun, but you don't have to travel to own these!
