

PAINTING 23 SPRING GARDEN HAND COLORED PRINT by ROBERT CLARK \$750

This superb hand colored limited-edition print by renowned California artist Robert Clark is exquisite and a rare opportunity to own one of his works. Born in 1920 and deceased in 1997, Clark was well known for his rustic subjects. He has been compared to Andrew Wyeth, and his paintings have been sought after by prominent collectors from all over the world. Among the collectors of Clark's paintings are such notables as the late Johnny Carson and Burt Reynolds as well as Tom Selleck. Professionally framed and in pristine condition, this piece is numbered 58/200 and measures 31" x 26". Any distortions in the photos are due to light on the glass.
