

QUIMPER 86 \$3,350

Exquisite curved jardinaire in yellow and blue with an image of a Briton man hand painted on the front and a delicately painted floral image on the reverse side. The flowing shape of this piece is incredible as it measures 12 ¾" wide, 6" deep and 4 1/2" high. This is a rare to find piece especially in such fine condition. It is marked PB (Porquier Beau) and dates from 1875 and is an absolute treasure.
