

SPURS 63 TOM JOHNSON GAL LEG OVERLAID C1905 SPURS WITH STRAPS \$1,050

These fine example all original TOM JOHNSON gal leg overlaid spurs are in very nice original condition and pretty rare to find. Dating to 1905, they are a great early gal leg pair with star rowels. The spurs measure 5 $\frac{3}{4}$ " long, the heel bands measure 3 $\frac{1}{4}$ " across inside the heel bands and the bands are 5/8" wide at the shanks. The rowels measure just over 1 $\frac{1}{4}$ " across. The older basket weave straps are in fine condition with a carved floral design and an aged chocolate patina.
