

SPURS 64 NORTH AND JUDD MARKED SILVER INLAID WITH STRAPS \$825

These superb Anchor marked NORTH AND JUDD drop shank spurs are all original and in very nice condition. We purchased them at the Old West Show in Cody, Wyoming in 2000. The single mounted heel bands are inlaid engraved silver as are the shanks. The domed strap buttons are silver and engraved also. The spurs measure 6 ½" long, 3 1/16" across inside the heel bands and the bands are 5/8" wide at the shanks. The rowels measure 1 5/8" across. They come with fantastic two piece basket weave straps with silver domed conchos that perfectly complement the spurs.
