

SPURS 49 PRISTINE DOUBLE MOUNTED CANON CITY PRISON SPURS AND STRAPS \$3,100

We have owned this incredible, all original and pristine pair of CANON CITY PRISON spurs for nearly 30 years. We bought them from a private collection of only the finest spurs. They are a small pair but exhibit the finest workmanship of a master craftsman and we are surprised they are not marked. They have rare to find arrow shanks and super fine detailed engraving. The spurs measure 5" long, the heel bands measure 3" across inside, and the heel bands are 5/8" across. The 10 point rowels measure 1 1/4" across. The HB (Harpham Brothers) marked straps are in outstanding condition.
