

SPURS 66 CANON CITY PRISON DOUBLE MOUNTED FANCY DIAMOND BAND SPURS WITH STRAPS \$5,650

We purchased this extra fine and fancy pair of CANON CITY PRISON spurs from a private collection over 25 years ago. Although not marked, they are superbly executed by one of the finest craftsmen at the prison with an inlaid diamond pattern on the heel bands and drop shanks with large rowels. All original, the spurs measure 6 ½" long, 3 5/16" across inside the heel bands and the bands are ¾" wide. The 10 point rowels measure 2 ¼" across. The spurs come with an old pair of heavily spotted straps that are in outstanding condition and perfectly complement the spurs.
