

QUIMPER 87 \$1,175

We purchased this fabulous HR Quimper floral compote in France nearly 30 years ago. It has the hand painted image of a dancing Briton couple on one side and the Quimper crest on the other. The colors are bright and vivid and the floral designs exquisite. The piece measures 12" wide, 6 5/8" high and 5" deep. It is marked HR Quimper to the left of the couple and on the bottom. There are a very few minor chips that do not detract. It dates from 1922.
