

PAINTING 18 DAY RATE by KAREN RAE ORIGINAL OIL PAINTING \$1,450

This superb 1999 oil painting by NW western artist Karen Rae is a wonderfully depicted sample of the realities the hard cowboy life, particularly in challenging winter weather. If you ever sat a horse in a blizzard, this art work will resonate for sure. This painting was on display at the famous Favell Western Art Museum for a number of years until we convinced the owner, Gene Favell, to sell it to us. He had a gift for recognizing natural artist talent and preferred realism in his prized collection. Professionally framed, it measures 31" x 23" and is 1 3/4" thick. Please know that the lighting in the upper left corner of the painting makes it look lighter than actual. It is like the upper right.
