

HAT 2 \$130

This vintage child's cowboy hat, c/1930's, is in superb condition for its age, black in color with a crème ribbon and accompanying upturned bound brim. The leather hat band is intact but has no markings and there is no size marking. The brim measures just over 13" front to back and 12" side to side. The measurement inside the hatband is 7" front to back and 5 7/8" side to side. We do not guarantee fit. This is a very high quality early child's hat that would be a fine addition to anyone's collection.
