

CHAPS 77 \$3,100

This rare to find and spectacular set of HAMLEY women's skirt and vest is loaded with spots and each piece has impressive fringe. In just amazing condition, with minor wear that does not detract, as the photos show. The original tag is marked HAMLEY & CO. COWBOY OUTFITTERS PENDLETON, OREGON. The skirt has outside pockets and measures 28" top to bottom of the fringe and 36" wide as shown and the waist is approximately 30" but we cannot guarantee fit. The vest measures 16" across at the top of the arm holes and 16" long to the bottom of the fringe. This a special set that we purchased at the Lebel Old West Auction in Cody, Wyoming in 2000.
