

QUIMPER 56 \$95

Wonderful Henroit Quimper covered sugar bowl hand painted with a Breton woman on the front as well as with floral designs. It is in fabulous condition with only a very minor half inch fine crack at the top which does not detract or affect the integrity of the piece. It measures 7 1/8" across at the handles and is 6" high with the lid. The piece is marked Henroit Quimper France 124 on the bottom and dates from 1925.
