

OTHER ART 2 \$2,000

This artisan made 35" stained glass Canadian Geese piece was made by CATHY RAMSAY in Oregon in 1982 and is 1/1. The workmanship and detail are fantastic, and this one of one art is truly unique. In perfect condition, the depth of the glass piece measures over 1". This large piece is simply stunning, and, while not western, we wanted to offer it here.
