

QUIMPER 10 \$215

Henroit Quimper small jug in a beautiful green color and hand painted with a Breton woman and floral detail in perfect condition with only a few very tiny glaze pops which do not detract. This is a very special piece from the 1950's. Measures 5 1/8" high and is 5" wide at the handle. Marked Henroit Quimper France 116. We acquired this at an antique sale in France over 30 years ago.
