

PAINTING 21 WOOD DUCKS by KAREN PIDGEON ORIGINAL GOUACHE PAINTING \$2,100

This original gouache painting of two Wood Ducks was done in 1986 by well known Oregon wildlife artist Karen Pidgeon and is, of course, in pristine condition. Karen has produced work in a number of media but is an incredible and gifted painter whose wildlife and floral works have a distinctive style. She has shown in Federal, National and State art shows, competitions and exhibits. She has sold posters throughout the U.S., Canada, Mexico and Japan and prints have sold worldwide. Professionally framed, it measures 19" x 16" and is signed by the artist. Any distortions in the photos are due to light on the glass.
