

BOOTS 83 \$275

This pair of vintage TEXAS inlaid cowboy boots is in fabulous condition. They have caramel colored lowers with four color inlays on dark brown shafts and yellow piping at the crowns. We believe they are marked 8D, but we do not guarantee fit. They measure 11 ¼" long, 11 ¾" high and 4" across the soles. The cloth pulls are marked Texas Boots. They would be great for wearing or would be a fine addition to any serious collection.
