

SPURS 81 PRISTINE DOUBLE MOUNTED CANON CITY PRISON SPURS WITH STRAPS \$3,450

This incredible pair of CANON CITY PRISON spurs are all original and in outstanding condition. We bought these directly from the LEE JACOBS collection over 25 years ago. The spurs have straight shanks and 12 point rowels and measure 5" long, 3 1/16" across inside the heel bands, and the heel bands are 5/8" wide on the straight side. This is a very unusual and stylized design with a straight heel band on one side and single button design on the other with scalloped heel band. Although unmarked, they are superbly well made by an expert craftsman. They appear to be in unworn condition. The outstanding condition straps are marked F. MUELLER DENVER.
