

QUIMPER 43 \$455

We purchased this superb Biniou (bagpipe) shaped vase directly from Joan Datesman over 30 years ago. The vase has the detailed image of a Briton woman on the front holding a spinning distaff. The piece is in incredible condition with one minor chip shown in a photo, which does not detract. We find no cracks or repairs. The vase measures 7 3/8" high, 6 3/8" wide and 3 5/8" deep and is marked Henroit Quimper. It dates from 1925.
