

SPURS 84 LARGE AND FINE CANON CITY PRISON CROSS HATCH PATTERN WITH PRISON MADE BUCKLE SETS. \$5,350

This fantastic large and all original pair of CANON CITY PRISON spurs we purchased at Brian Lebel's Old West Auction in 2002 in Cody, Wyoming. This is a substantial pair that is in superb condition and quite heavy. The spurs measure 7 ¼" long, 3 3/8" across the inside of the heel bands, and the heel bands are 1" across. The 16 point rowels measure 2 1/8" across. The floral carved straps old but in outstanding condition with a deep chocolate color. They have CANON CITY PRISON made three piece nickel silver buckle sets mounted. This a fine example of some of the best craftsmanship at the prison.
