

OTHER ART 12 \$250

Although not “western,” we wanted to offer this art here. Three artisan handmade ceramic Trout in perfect condition with wonderful three-dimensional shaped forms measure 13” long and 5 ¼” high. Each fish is unique and all three are wired for hanging and signed by the artist D.L. CHERRY '98. We purchased these in a fine art store in Sunriver, Oregon in 1998.
