

QUIMPER 20 \$215

Fabulous large HB Quimper Soleil yellow pitcher in superb condition. The pitcher is a bright yellow rather than the muted color in the photos. It has a hand painted image of a Briton woman on the spout side in addition to floral designs. The cobalt blue designs compliment the yellow color. The pitcher measures 9" tall and 7 3/8" from spout to handle. It is marked HB Quimper France 369 on the bottom and dates from 1968.
