This vintage pair of fancy inlaid cowboy boots have 101 on the cloth pulls and are in superb condition. They have caramel colored lowers and dark brown shafts with white inlay and green piping at the crowns. There is no size marked and we do not guarantee fit. They measure 10 3/4" long, 11 3/4" high and 3 9/16" across the soles. These fine boots would be great for wearing or would be a nice addition to any serious collection.
