

SPURS 37 JR MCCHESENEY MARKED SILVER OVERLAID SINGLE MOUNTED #67-2 SPURS WITH STRAPS \$915

We found this fine pair of JR MCCHESENEY marked solid silver overlaid single mounted #67-2 spurs in Boseman, Montana nearly 30 years ago. They are marked on the heel bands under the strap hangers and are in fantastic condition, heavy for their size and all original. The spurs measure 5 7/8" long, the heel bands measure 2 13/16" across inside and heel bands are 9/16" across at the shanks. The rowels measure 1 1/4" across. The black snakeskin covered leather straps compliment the spurs perfectly. The strap silver tips are marked Alpaca Mexico, and the buckles are marked as well, but too small to make out. The engraved dome conchos on the straps appear to be sterling silver but there's no way we would take them apart to verify.
