

CUFFS 42 \$555

A large and fully floral tooled very rare pair of maker marked cowboy cuffs with original snaps and lacing. This is an impressive pair for any collection. They each bear the distinctive T.FLYNN maker mark and measure 7 ½" long. Tom Flynn was an old west cowboy who's saddlery started in 1880 and moved to Pueblo, Colo in 1892. We have never seen another pair.
